

DATA FOR LABOR COST BIDDING

EDA Project No.: 06-01-05315

NORTH BUSINESS DEVELOPMENT AREA

This **project is funded** by (bold/underline those which apply):

City of Duluth

Federal Government

HUD/CDBG - see Section 10 of Supplementary
General Conditions, Part II

State of Minnesota

The **base workweek** may be (bold/underline those which apply):

Five 8-hour days

or

Four 10-hour days

Each certified payroll must indicate the base workweek on the accompanying Statement of Compliance form.

OVERTIME REQUIREMENTS:

For City, State, and Federal funded projects, overtime must be paid on daily hours worked in excess of the base daily hours. Contractors (including sub-contractors) are not allowed to pay overtime solely on hours in excess of forty per week.

HUD projects, however, do allow payment of overtime after forty hours per week—this is the only exception.

WAGE RATES

When both State of Minnesota and Federal Government (general decision) wage rates are included in a contract, the higher of the two rates for any classification must be paid.

State of Minnesota prevailing wages typically list two rates for each classification with two effective dates. Should any City of Duluth contract continue to and past the second effective date, that rate and fringe benefit will be in effect through the remainder of the project.
